Outreach at Unity

 **Unity Church**

Our Outreach Program is set up so that teams are formed or renewed annually.

This enables more people to hold a leadership role (one year vs. indefinitely) and offers more freedom to expand or contract outreach teams and opportunities.

Ideas for teams are submitted to the Outreach Committee. The form is within this pamphlet; fill it out and return to the church office.

The Outreach Committee will review all proposed outreach teams in July and present the teams for the coming year at UCFW's Annual General Meeting held in September.

An Outreach Fest is held each January to highlight our Outreach Teams and allow people to sign up for those they want to participate in. (You can join a team anytime by calling the church office or team leader.)

Teams run January through December of each year.

Affirmation for Outreach Teams -

I am faith-in-action that creates and sustains the ripple effect of our circles of good.

Outreach Team & Leader Agreement*:

In proposing this outreach team for Unity Church I commit to be the designated leader of this team for the coming year

I acknowledge that my responsibilities include working with a team of volunteers, hosting a table at the Outreach Fest in January and organizing and implementing events and actions with my team to carry out the plans of this outreach endeavor.

Team Leaders Name (print):

Team Leaders Signature:

- Teams can only be active if they have leadership.
Teams may also be hosted by a Unity Group or Class, but still need a designated leader.

To be considered for next year beginning January 1, submissions must be received by August 30 of the current year. All other submissions will be held for the following years consideration.
